

Welcome to Operation Feed!

On behalf of Mid-Ohio Foodbank and its network of partner agencies, we thank you for your willingness to take action in the fight against hunger. Many of our neighbors are struggling. As the economic crisis continues, demand for emergency food is increasing. And need remains urgent.

By participating in this community-wide drive, you are joining hundreds of local businesses, schools, government agencies, associations and civic groups working with a common purpose in 2010: to raise food and funds so that no one in our community has to face hunger. It's an impressive list, and we hope that you are proud to be included alongside some of central and eastern Ohio's most established and respected organizations.

This packet contains information and strategies for organizing your campaign. Guidance of staff and the wisdom of fellow coordinators are also available to help. Operation Feed truly is a collaborative effort. If everyone does a little, the Foodbank can do a lot!

We look forward to working with you this spring as we rally to tally 6 million meals for children, seniors, and others in the community who are less fortunate. If there is anything we can do or provide to assist your efforts, please do not hesitate to contact us.

Sincerely,

Joan Lloyd
