

Every fall, many area families face the possibility of not providing a traditional holiday meal for their children.

With these turkeys' help, you can help Mid-Ohio Foodbank provide 5,000 turkeys for those in need. For each stuffed bird sold for \$25, we can provide two 12 lb. turkeys for local families.

If your group would like to help Mid-Ohio foodbank sell turkeys, call Claire at (614) 274-7770 or email her at cbadger@midohiofoodbank.org. You can choose to sell either the can-can dancer turkey, the football turkey, or both. With your help, we can make sure that no one has to settle for an empty stomach this Thanksgiving.
