Mid-Ohio Foodbank Privacy Policy

Mid-Ohio Foodbank shares your concerns about privacy on the internet. To better protect your privacy, the Foodbank has created this notice to explain our online information practices and the choices you can make about the way your information is collected and used.

Types of Information We Collect and How We Use That Information

Personal Information: This notice applies to all information collected on www.midohiofoodbank.org. Mid-Ohio Foodbank does not collect information about the site visitor, unless he or she specifically fills out an online form for a donation or a request to be added to our mailing/newsletter list.

The types of personal information collected at these pages are:

- Name
- Organization
- Address
- Email address
- Phone Number
- Credit/Debit Card Information. This information is taken in a secure environment, and all data is passed in encrypted form to our processor. We do not retain any account numbers.

You also have the option to submit information about other people or request more or more specific information from Mid-Ohio Foodbank when you donate online. For example, you can submit a donation in honor or in memory of an individual; advise us if you want to make your donation a monthly gift; request more information about Mid-Ohio Foodbank's Pledge Partner Program or Legacy Society; and let us know if you prefer to receive acknowledgement of your donation via email, U.S. mail or not at all. This information is not mandatory for processing.

The Foodbank does not sell or share donor information with other organizations.

Internet Protocol Addresses & Cookies: We do not collect individual IP addresses or use "cookies."

Security

SSL: All information provided to Mid-Ohio Foodbank is transmitted using SSL (Secure Socket Layer) encryption. SSL is a proven coding system that lets your browser automatically encrypt, or scramble, data before you send it to us. The Thawte Seal is featured on our donation pages verifying security status.

PCI DSS: Online donations and other financial transactions completed through Mid-Ohio Foodbank donation pages are PCI DSS Compliant. PCI DSS is the payment card industry security requirement for entities that store, process or transmit cardholder data. Mid-Ohio Foodbank is tested on a regular basis by a third party to ensure compliance.

A Member of

Internal Security Policies: Account information is placed in secure portions of our Site that are only accessible by certain qualified employees of Mid-Ohio Foodbank.

Other Websites:

In some cases, our site contains links to other Web sites. Please note that when you click on one of these links, you are entering another Web site for which Mid-Ohio Foodbank has no responsibility. We encourage you to read the privacy statements on all such sites for confirmation of policies as theirs may differ from ours.

Contacting the Site

Please call (614)-274-7770 or email info@midohiofoodbank.org if you have questions about the information collected or to make any changes. All questions or concerns can also be directed to the contact information provided.

Modification of Privacy Policy

Mid-Ohio Foodbank may change this policy at any time by posting the changed or amended Privacy Policy on the Web site. Your continued viewing of or use of this site following the posting of any changes to this Policy will signify your agreement to any such changes or amendments.
