

## The **Senior Services Roundtable** *of Columbus and Franklin County*

From a dozen members in 2008, the **Senior Services Roundtable of Columbus and Franklin County** has grown to include a diverse group of nearly 1000 members in more than 550 organizations, including local, state and federal government, medical and educational institutions, other public and private agencies and a variety of care and service providers. It meets monthly, and utilizes an email list server, to serve as a clearinghouse of information and ideas to assist seniors in central Ohio, particularly those striving to remain independent and productive in their later years.

In addition to providing networking opportunities for organizations and individuals serving central Ohio seniors, the Roundtable plays a pivotal role in organizing events and projects such as the successful **Senior Living Festival**, held annually since October 2010.

We will be happy to include you in the **Senior Services Roundtable!** Please complete and return the attached Member Information form, or send an email to the address below with the following information, to be included in our email list server and contact list:

- Your name
- Organization name (if any)
- Organization's Web site address(if any)
- Title/role
- E-mail address
- Phone (office/daytime number, including extension if any)
- Alternate phone (e.g., direct extension, cell phone if preferred)
- FAX number (if any)
- Mailing address (including ZIP)
- Non-profit organization? (Y/N)
- A brief description of how your organization serves and/or benefits seniors in central Ohio so we can properly classify your organization's focus.
